

Our Purpose & Values

“Bring the best of Kambalda to the
Clean Energy Transition”

Our Purpose

Our purpose is to be successful together. Success to us means to grow the portfolio of nickel metal under ownership in sufficient quantity to enable the Company to be a key player in the Kambalda nickel district and the associated resurgence of the nickel sector in Western Australia – benefiting our employees, shareholders, the community we work in and the environment around us.

Our Values

**People are at the
centre of everything
we do**

The Company realises that our people are our business and through creating a culture of diversity, positivity and developing dedicated employees with the desire to succeed, we will stand out and rise above our competitors; an organisation who everybody is proud to work for and other companies are proud to work with.

We care

Lunnon Metals has a vision of a safe and incident free workplace built on the success of a system governing our safety, wellbeing, training and management, created by us for our people. We strive to cause no unnecessary harm to the environment, and seek to do not only less harm, but more good. We aim to make a difference in the communities where we work and live. We care about our integrity, always acting lawfully and ethically.

Act like an Owner

To be successful over the long term, it takes an entire work force who feels responsible, acts with empowerment and accountability, and is fully invested and aligned in our Purpose. If Lunnon Metals succeeds, we all exceed.

We Commit

We will commit in all that we do, work will be conducted with urgency and there will be no effort that is too great as we strive to achieve our Purpose.
